¹Payment of the cafeteria use fee provides for reservation of cafeteria space only. Where access to kitchen facilities is required in connection with use of cafeteria space, both a cafeteria use fee and a kitchen use fee will be assessed. Kitchen space use requires paid C-PP kitchen staff members. The charge will be calculated based on actual rate/hours paid to the employee in conjunction with community use. The 2014-2015 maximum rate is \$45 per employee per hour and will adjust annually based on collective bargaining agreement.

Additional Fees

- **Revenue-Based Fees (Class 6):** In addition to applicable use fees, users in Class 6 that charge for admission to an event held on District property are required to pay to the District a fee equal to ten percent (10%) of the gross revenues from the event.

- **Staffing Fees (All Classes):** All classes of users will be assessed additional fees for excess labor costs incurred by the District, including, without limitation, costs incurred to provide adequate safety/security, custodial, and/or food service coverage during the period of use. Supervisory/security and custodial staff are billed at an hourly rate of \$40 and food service staff are billed at an hourly rate of \$45.

- **Miscellaneous Fees (All Classes):** The District reserves the right to assess fees in addition to those described above. Situations in which such fees may be assessed include, without limitations, those which a group's use of District facilities and equipment causes the District to incur expenses that are not fully recovered through the assessment of standard use fees, revenue-based fees, and/or staffing fees.

- **Multiple-Use Discounts:** Notwithstanding the standard use fees set forth above, the Superintendent is authorized to establish discounted fees for organizations (including, without limitation, recreational sports leagues) that wish to reserve particular facilities on multiple dates. Requests for multiple use discounts will be considered on a case-by-case basis and may be granted in the sole discretion of the Superintendent.

- **Payment Requirements:** Use fees must be paid in full no later than seven (7) days prior to the scheduled date of use. Revenue-based fees must be paid no later than (10) days after the date of use. Staffing and miscellaneous fees must be paid no later than twenty (20) days after the District's issuance of an invoice for such fees.

All payments should be made in the form of a check or money order payable to the Corning-Painted Post Area School District and should be delivered to the District Business Office at 165 Charles Street, Painted Post, NY 14870.

No refunds will be provided for cancellations occurring within three (3) business days of the scheduled use.
