

**STUDENTS WITH DISABILITIES
PURSUANT TO THE
REHABILITATION ACT OF 1973, SECTION 504**

The Board of Education shall ensure that no student is discriminated against in programs or activities generally and specifically those receiving federal financial assistance. Individuals protected by Section 504 of the Rehabilitation Act of 1973 are those individuals who: have a physical or mental impairment which substantially limits one or more major life activities (e.g. caring for one's self, performing manual tasks, walking, seeing, hearing, speaking, breathing, learning and working); have a record of such impairment; or are regarded as having such an impairment. Students who qualify for protection under Section 504 are: of an age during which non-disabled children are provided preschool, elementary or secondary education services; of an age during which it is mandatory under state law to provide such educational services to disabled children; or to whom a state is required to provide a free appropriate public education (e.g. under IDEA).

The District shall identify, evaluate, refer, place, provide adaptations for and review all eligible students with disabilities. Students with disabilities pursuant to Section 504 shall be provided a free appropriate public education which may include, but is not limited to, providing a structured learning environment; repeating and simplifying instructions about in-class and homework assignments; supplementing verbal instructions with visual instructions; using behavioral management techniques; adjusting class schedules; modifying test delivery; using tape recorders, computer-aided instruction, and/or other audiovisual equipment; selecting modified textbooks or workbooks and tailoring homework assignments or modification of nonacademic times such as lunchroom, recess and physical education.

The District shall adopt a grievance procedure to resolve Section 504 complaints and designate an individual to coordinate compliance with Section 504. The District shall ensure that students with disabilities and their parents are notified annually of the Board's responsibilities under Section 504.
