In compliance with the Protection of Pupil Rights Amendment (PPRA), the District is committed to protecting the rights and privacy interests of parents/guardians and students with regard to surveys funded in whole or part by any program administered by the U.S. Department of Education (DOE).

The District shall make instructional materials available for inspection by parents/guardians if those materials will be used in connection with a DOE-funded survey, analysis, or evaluation in which their children participate. In addition, the District shall obtain prior written parental/guardian consent before minor students are required to participate in any DOE-funded survey, analysis, or evaluation that reveals information concerning:

- B. Mental or psychological problems of the student or the student's family;
- C. Sex behavior or attitudes;
- D. Illegal, anti-social, self-incriminating, or demeaning behavior;
- E. Critical appraisals of other individuals with whom respondents have close family relationships;
- F. Legally recognized privileged or analogous relationships, such as those of lawyers, physicians, and ministers;
- G. Religious practices, affiliations, or beliefs of the student or student's parent/guardian; or

Requests by parents/guardians to inspect such surveys are to be submitted, in writing, to the building principal at least 10 days prior to the administration or distribution of any survey. Further, the District shall grant a request by the parent/guardian for reasonable access to such survey within a reasonable period of time after the request is received by the District.

In the implementation of this provision regarding the administration of physical examinations or screenings that the school may administer to the student, the District incorporates by reference Board policies that address student health services, as applicable, including but not limited to policies regarding the administration of medication, immunization of students, and student physicals.

Questions regarding the collection, disclosure, or use of personal information collected from students for such marketing purposes may be referred to the school attorney as deemed necessary by the Superintendent/designee.

These requirements do not apply to the collection, disclosure, or use of personal information collected from students for the exclusive purpose of developing, evaluating, or providing educational products or services for, or to, students or educational institutions, such as the following:

- A. College or other postsecondary education recruitment, or **military recruitment*;
- B. Book clubs, magazines, and programs providing access to low-cost literary products;
- C. Curriculum and instructional materials used by elementary schools and secondary schools;
- D. - E. The sale by students of products or services to raise funds for school-related or education-related activities;
- F. Student recognition programs.

**Military recruiter access to student information is governed by the Family Educational Rights and Privacy Act of 1974 (FERPA) and the National Defense Authorization Act for Fiscal Year 2002.*

This law is not intended to preempt applicable provisions of State law that require parental/guardian notification.

Notification of Policies/"Opt Out" Provisions

The District shall provide for reasonable notice of the adoption or continued use of this policy directly to the parents/guardians of students enrolled in the District. At a minimum, the District shall provide such notice at least annually, at the beginning of the school year, and within a reasonable period of time after any substantive change in this policy.

Further, in the notification, the District shall offer an opportunity for parents/guardians to opt their child out of participation in the following activities:

The rights provided to parents/guardians under PPRA transfer from the parent/guardian to the student when the student turns 18 years old or is an emancipated minor under applicable State law.

The District may use funds provided under Part A of Title V of the Elementary and Secondary Education Act of 1965 to enhance parental/guardian involvement in areas affecting the in-school privacy of students.
